

System Type: *atis* **OrganicSystem**

(*System type* is part of the metatheory and describes configurations and properties that characterize a particular system.)

Organic system, $\circ\mathcal{W}$, =_{df} A system that has a fielded military subsystem.

$$\circ\mathcal{W} =_{df} \mathfrak{S} \mid \exists \neq \mathcal{W} (\neq \mathcal{W} \in \mathfrak{S})$$

Organic system is a system; such that, there is a fielded military subsystem component.
